

Dear Family, Community Members and Friends,

The Sherwood High School Band Department is offering the band students the opportunity to participate and compete in the Marching Band program for the 2010 season. Marching Band is a performance art that integrates the Sherwood High School Marching Bowmen Band and Colorguard. This year our program is entitled "Thermopylae" and is based on the the history of the battle between the Spartans and the Persians . I am excited to be able to participate in this exciting show and program!

To help with my participation fees, I am asking for financial support through family, friends and local community members. The sponsorship helps offset the costs related to equipment, instrument maintenance, costumes, props, entrance fees and transportation. Please help me enrich my educational experience through participation in this outstanding music and dance program! We will be happy to acknowledge your support in all of our programs, on our website, and publicly through articles in the Sherwood Gazette.

I would also like to invite you to one of our performances to see first hand our band in action. The dates for the performances and other band events are on our band calendar at WWW.BOWMENBAND.COM .

Thank you for your consideration!

Sincerely,

Sherwood High School Marching Band/Colorguard Member
