

## Sherwood High School Marching Band & Colorguard 2026 Info Meeting – Monday, June 1

Dear Marching Band & Colorguard Members & Parents,

Welcome to the 2026 Sherwood High School Marching Season, we are excited to have you on board! Marching Band & Colorguard is a physical, musical, artistic, rigorous, fun, and rewarding experience for our students. Participating in the marching band is a wonderful experience and is the main reason I decided to go into the profession of music education. It takes good kids from all walks of life and places them into an activity that unifies, challenges, and creates a wonderful bond. Our Marching Band Family is made up of freshmen, sophomores, juniors, and seniors who look out for one another & support one another throughout the course of the school year. It is a heartwarming spectacle that I witness every day regardless of whether we are in the fall, winter, spring, or summer season.

Parents, I hope to see veteran marching band parents mingling with parents who have never participated in this activity before. There is a lot of information about marching band and about our Sherwood program and legacy. It would be a huge & positive asset if our veteran parents offer their knowledge in bite size portions to parents who are new to the activity.

Please make the SMB (Sherwood Marching Band & Colorguard) your favorite team that you root for this fall. Not only can you cheer us on at shows and competitions, but you can be an asset to what we do.

Enclosed in this packet are some useful documents for your reference:
